Dear Parents/Carers,

Welcome back to Summer 2—I hope you all enjoyed a lovely, sunny break. Although the weather was beautiful over half term, it remains a little unpredictable. Please ensure that your child brings a raincoat and a hat each day, and that sun cream is applied before they come to school. As we spend extended periods outdoors during this term, these measures will help keep everyone safe and comfortable in all weather conditions.

Water safety – Important message for parents

Following recent tragic incidents involving water, this is an important reminder of how quickly situations can change. As the weather gets warmer, more children and young people are spending time around rivers, lakes and the coast, increasing the risk of harm.

Even on hot days, open water can be dangerously cold, and conditions are often unpredictable.

Children and young people may not always recognise these risks, so it's vital that key safety messages are shared.

Key water safety messages

Please help reinforce the following advice with children and young people:

- Stop and Think: Check for hidden hazards such as deep water, currents and cold temperatures
- Stay Together: Never go into or near water alone; choose areas with lifeguards where possible
- Call 999 in an emergency: Ask for the Coastguard at the coast, or Fire & Rescue if you are inland
- Float – If you fall in, stay calm, float on your back and control your breathing

London Trip

Year 6 are off to London on 18th June. There will be a meeting for parents at 2.45pm on Monday 8th June.

Dare to dream...work hard to achieve

Blackpool Trips

Our Y1 Gorillas will be going to Blackpool Zoo tomorrow and the Y2 Tigers will be going to Blackpool Tower on Thursday. It is forecast for some rain so please do remember to bring a coat.

Sports Afternoon

We will be having our sports afternoon on Wednesday 24th June at 13.30 – 3pm. Can everyone please make sure kits are in school as we will be having extra PE sessions.

Dinner Money

Due to increased food costs, there will be a rise in cost for school meals in September. The Governing Body have agreed to support families by subsidising some of the additional cost, but the daily charge will be £2.70 a day which is £13.50 per week.

School Uniform

I know it is tricky at this time of year with children growing and shoes wearing out but can we please ensure that all children are in school uniform.

- Maroon sweatshirt or cardigan
- Black or grey trousers/shorts/skirt or a red gingham dress in summer.
- Plain white or maroon polo shirt
- Black shoes (these should have a sensible heel and if wearing trainers, they should be all black including the sole).

Holidays

May I remind parents that holidays taken during term time are not permitted and will be recorded as unauthorised absence. Every school day is vital, particularly as we approach the end of the academic year. Absence at this time means children miss important transition activities and enrichment opportunities that support their move into the next year group.
