Parent Governor

We need a new parent governor to join our Governing Body. Could you commit to attending approximately 3 meetings per term, usually between 3pm and 5.30pm? Do you want to help to decide the priorities for improving the school?

If you would like to work in partnership with the school staff and co other governors to raise standards and improve outcomes for all of our children then this is the role for you. No previous experience needed.

Any interested parents please contact me for more information.
