Earth Class

Reading

Log into Oxford Owl and choose an eBook to read.

Username: Fishwick earth class

Password: earth

and/or

Read a story book that you have at home. Encourage the use of phonics when reading words.

or

Read some food packaging labels. What ingredients are in crisps?

Get Creative

Construction Challenge - Use some old boxes, packaging and other materials. Can you design and make a tractor?

Can you design a meal or a healthy lunch?

Can you help make a fruit kebab or a simple snack?

Play food/farm themed 'I Spy'.

Writing

I wonder... can you help write a shopping list? What are your favourite foods? Make sure these are on the list.

PSHE & Life Skills

Conversation and thinking skills...

Have a discussion about where food comes from. Talk about fruits and vegetables, do they grow underground, on the ground or in a tree?

You could save some seeds and then plant them.

**Play Live on Education City
Friday at 2pm 😊**

Maths

Set up a mini-shop. Put price labels on items (making sure the costs are under 10p or 20p for Year 1's). Ask your child to be the shopkeeper and add up your total cost of two different items if you were to 'buy' them.

Write down the calculations in the book or on small receipts to make it seem more like a real shop.

Get Active

Cosmic Kids Yoga

and/or

Make an obstacle course. Can you practise good balancing, jumping and manoeuvring through the course? Try it once and then encourage a time trail to beat the first attempt. Time scores could be kept.

Science

Baby animals - What are the name of baby farm animals? Perhaps these could be drawn and then names written, or you could make a matching game - adult to baby.

and/or

Virtually visit a farm online:

www.virtualfarmwalk.org/walk.html

Don't forget to...

Water your plant and measure how much it has grown.

Practise writing your name and the day of the week.

Share stories and encourage reading of words they are confident with.

Check Education City and Purple Mash for weekly challenges.

Please e-mail any photographs to me for the weekly collage.
