Writing

Pretend that an animal has escaped from the zoo. Draw and write a wanted poster to help find the escaped animal.

You will have to describe exactly what the animal looks like, does it have stripes, spots, fur or a long tail...?

Maths

Concentrate on counting this week. If your child can count to 18, try counting to 5 more. Practise, practise, practise.

- Play the I Spy animal game.
- Adapt songs that you already know... 1, 2, 3, 4, 5, once I caught a snake alive; 6, 7, 8, 9, 10 then I let it go again.
- 5 little monkeys jumping on the bed, 10 little monkeys - they jump off in 2's. Adapt the song.
