Writing

Write down instructions for a magic trick. How could you turn a pumpkin into a magical carriage for Cinderella? How could you make a chocolate appear in your hand?

Remember to encourage the use of phonics to write words or a simple sentence.

Maths

Counting in 2's - Can you practise counting in 2's to 10. To begin with say all numbers but **whisper** the **odd** numbers and **shout** the **even** numbers. **1, 2, 3, 4, 5, 6, 7, 8, 9, 10**. This will help show that the multiples of 2 are important.

and/or

Numberblocks - Cbeebies
 Choose an episode to support your child's counting.

Science

Can you make a magic potion?
 What happens when coffee, salt or sugar is mixed into warm water?

Can you make different coloured potions using food colouring or different flavoured cordial?

Be careful when using warm water - adult supervision is required

Get Active

Cosmic Kids Yoga - Harry Potter and the Philosophers stone
